Reference; the photos below were used when the survey was conducted as a point of reference illustrating the normal and abnormal looks and development of female genitals.

	<p>This genital is not considered aesthetically pleasant to look at, it is asymmetrical and hypertrophied. The lips stick out and it is uneven considered ugly.</p>
<p>Genital present is considered more aesthetically pleasant to look. It is symmetrical and it has a nice shape and color denominating it as pretty.</p>	

Australia/New Zealand

Age	Country	Race	Marital	Orientation	What do you think makes your vagina pretty or ugly, what can you observe from it?
18	Australia	Caucasian	Single	Straight	clean and all folded in. shaved bald
18	Australia	Caucasian	Single	Straight	Do not know...
18	Australia	East Indian	Single	Straight	flabby protruding lips which hang down
18	Australia	African Decent	Single	Straight	I am not sure as I do not know what normal or abnormal is.
18	Australia	Other/various	Single	Bisexual	I believe that Ugly because it is large. The lips protrude and are brownish/grayish in color. It just looks messy and not neat.
18	Australia	Other/various	Single	Straight	I have no means of comparison and not sure what to look for
18	Australia	Other/various	Single	Bisexual	I think it's perfect
18	Australia	Other/various	Single	Straight	it is big
18	Australia	Caucasian	Single	Bisexual	It is nice and smooth, and my boyfriends say they like it too. Although I have a little bit of hair growth, it still looks nice and tight.
18	Australia	Other/various	Single	Straight	it is ugly because my clit kind of hangs out a bit and the inner lips come out as well
18	Australia	Caucasian	Single	Straight	It is very Sexy
18	Australia	Caucasian	Single	Bisexual	it's not very hairy and its sort of small and its normal
18	Australia	Other/various	Single	Straight	it's so tight n it looks like a camel toe
18	Australia	Other/various	Married	Straight	Its floppy and my inner lips hang out its foul so if I just stand there with my legs together u can see everything its totally exposed.

18	Australia	Other/various	Single	Homosexual	its tight
18	Australia	Asian	Single	Straight	My inner lips are asymmetrical and stick out. My vagina is "loose"
18	Australia	Caucasian	single	Bisexual	Normally it looks like a crease or fold in your skin, but when I am horny, it sort of looks like two swollen and puckered lips.
18	Australia	Other/various	Single	Straight	to be tight
18	Australia	Other/various	Single	Straight	well its big with a pinkish color its saved I like it just how it is
18	Australia	Caucasian	Single	Bisexual	Well, it would be awesome if it was not for the fact that my labia minora are asymmetrical, and protrude a little. :S I didn't feel half as bad about it before coming to this website though, now I realize that I'm deformed.
19	Australia	Caucasian	Single	Straight	It's neat
19	Australia	Caucasian	Single	Straight	This question is hard because I have never really looked at, up close, to another vulva, to me mine looks "normal" I've never really been self conscious of it and I've never had any complaints
20	Australia	Caucasian	Single	Bisexual	I do not have comparisons. To me it is not an object of beauty.
20	Australia	Caucasian	Single	Straight	It appears mostly normal however one side of the labia majora is larger and "hang out" more than the other
21	Australia	Caucasian	Single	Straight	It is hard to answer this question, as your ratings do not make sense to me. Vulva A is "pretty" like an empty landscape and Vulva B is as "ugly" as a hibiscus flower. My vagina does not like either option. I would describe it as "fuckin' hot as."
21	Australia	Other/various	Single	Straight	It is very smooth small and my labia are perfect according to by previous partners. the only problem is I'm a bit tight
21	Australia	Other/various	Single	Bisexual	To me, I think I look normal - when I compare myself to my girlfriends, my outer lips pucker inwards a little bit when I'm relaxed, and pout outwards when I'm horny, but apart from that I think I'm normal.
22	Australia	Other/various	Single	Straight	I do not like the look; I think the flaps on the side are too big.
22	Australia	Caucasian	Married	Straight	I view my vagina as roomy since I had my baby

24	Australia	Caucasian	Single	Straight	Cause it is an outtie... and people say it is nice, but then I hear people making fun of outties and that they r like roast beef. And that most strippers have innies and porn starts and if they don't they get surgery... so I feel like a freak
24	Australia	Caucasian	Single	Straight	It is neat, no protruding bits.
25	Australia	Caucasian	Single	Straight	Normal, but slightly large
25	Australia	Caucasian	Single	Straight	some good comments some bad
26	Australia	Caucasian	Single	Homosexual	It has all messed up and open. Bit too much use but it is easier to have fun without any degree of pain.
27	Australia	Asian	Single	Bisexual	mine is just a snatch
28	Australia	Caucasian	Married	Straight	view as abnormal because I have never seen a real comparison
32	Australia	Caucasian	Single	Straight	I find that mine is normal looking, but it is small in diameter which is fine by me, but can be a problem during sex if the male has a big penis.
32	Australia	Other/various	Single	Bisexual	IT HANGS TO MY KNEES
33	Australia	Caucasian	Married	Straight	Based on the pictures apparently mine is considered UGLY. However, my husband prefers this look of the inner lips protruding out. So do I, the so-called 'pretty one' look like that of a 'young girl' and not very sexy you cannot see anything. Better for piercings too.
33	Australia	Caucasian	Single	Straight	I hate it, the minora lips are long
36	AUSTRALIA	Caucasian	Married	Straight	I VIEW IT AS ABNORMAL, I FIND IT TOO LARGE AND STICKS OUT.
36	Australia	Caucasian	Married	Straight	It look normal but used, been through childbirth twice and the labia is stretched and the vaginal opening is widened. I think it is of medium size
37	Australia	Caucasian	Married	Straight	Men adore it
41	Australia	Caucasian	Single	Bisexual	I think it looks normal to me.
41	Australia	Other/various	Married	Straight	my outer lips are about 4cm long when stretched out , they are a little long I feel, it would be much nicer if they were about 2 cm long
49	Australia	Caucasian	married	straight	It is a bit raggedy. It had to be cut with the birth of my first child. I do not like the wrinkly appearance. I am too hairy and this always bothers me. My clitoris sits high up and does not help me much.
54	Australia	Middle Eastern	Married	Straight	normal
21	New Zealand	Caucasian	Married	Straight	the middle bit sticks out quite a bit I thing I have a big vagina and have had a

					rude comment by one male spread around friends
25	New Zealand	Other/various	Single	Straight	I got a big labia on my vagina
27	New Zealand	Caucasian	Single	Straight	Very normal.
31	New Zealand	Caucasian	Single	Straight	Normal. Symmetrical. Even lips. Small wrinkle on either side of the outer lips.
51	New Zealand	Caucasian	Married	Straight	I FEEL THERE IS TO MUCH LOOSE SKIN BUT MY PARTNER DOESN'T
52	New Zealand	Caucasian	Married	Straight	Normal but on the small side
